MAES STARTS NEW PROFESSIONAL CHAPTER IN PHOENIX

Las Vegas, Nevada (June 7, 2008) The Society of Mexican American Engineers and Scientists, Inc., (MAES) has approved a charter to establish the MAES Phoenix Professional Chapter. The chapter is comprised of several professionals who were part of the student chapter at Arizona State University and other professional Latinos who are committed to MAES' mission.

The officers of the chapter are:

- Jennifer Acuña, President
- Monica Saldaña, Vice President
- Claudia Lopez, Secretary
- Arianna Valle, Treasurer
- Carlos Lopez, Student Representative/Liaison

For more information, individuals may contact the chapter directly by emailing MaesPhoenixProfessional@gmail.com.

MAES was founded in Los Angeles in 1974 by a group of professional engineers to advance and increase the number of Latinos, especially those of Mexican American descent, in science, technology, engineering, and mathematics by creating opportunities and fostering recognition through its professional, technical, and outreach activities. Today, the mission of MAES is to promote, cultivate, and honor excellence in education and leadership among Latino engineers and scientists. MAES is a 501(c)(3) non-profit corporation.
