MAES ANNOUNCES NEW ADDRESS FOR NATIONAL OFFICE

Houston, Texas (July 3, 2008) The Society of Mexican American Engineers and Scientists, Inc., (MAES) has changed its address. The change is designed to continue to provide seamless services to the membership and sponsors of MAES, while implementing a state of the art office infrastructure that is more conducive to working as a virtual national office where staff members and volunteers can be geographically dispersed yet work elbow to elbow on MAES projects and programs.

The new contact information for MAES is:

MAES, Inc.
2437 Bay Area Blvd. #100
Houston, Texas 77058-1519

281.557.3677 voice
281.715.5100 fax

www.maes-natl.org

All correspondence may be sent to this address including courier services such as UPS, FedEx, and DHL. All members and sponsors are encouraged to make sure address books and accounting systems are updated accordingly.

MAES was founded in Los Angeles in 1974 by a group of professional engineers to advance and increase the number of Latinos, especially those of Mexican American descent, in science, technology, engineering, and mathematics by creating opportunities and fostering recognition through its professional, technical, and outreach activities. Today, the mission of MAES is to promote, cultivate, and honor excellence in education and leadership among Latino engineers and scientists. MAES is a 501(c)(3) non-profit corporation.
